## Become part of the history of the New Jersey Law Center.

For a limited time, commemorative bricks will be available on the portico of the New Jersey Law Center. For yourself, your family, your firm, in honor of a beloved law professor or as tribute to a mentor—the bricks are laser-etched to last a lifetime.

In the 22 years since the New Jersey Law Center opened its doors, it has been a place for lawyers and the public to gather and learn about the law. The Law Center serves more than 25,000 legal professionals and 15,000 members of the public onsite each year. To celebrate the renovation of the Law Center as a state-of-the-art facility with videoconferencing, wireless Internet access, up to date seminar rooms and workstations, we offer the opportunity to purchase bricks.

The entrance portico has a limited number of bricks available.

Reservations will be taken on a first come basis. **PLEASE PLACE YOUR ORDER NOW!**
